

## Pricing Guide

We believe in being transparent about pricing, and publish these prices as a guideline. Please be aware that prices may vary on the individual requirements of an organisation (for example different sites or remote working).

### Assessment fees

Assessments include interviews with people from across the organisation, including senior leadership, managers and employees.

| Number of staff (including contractors) | Guide Price (includes first year's accreditation) |
|---|---|
| 1-9                                     | £350  |
| 10-20                                   | £900-£1500  |
| 21-50                                   | £2,250  |
| 51-100                                  | £2,600  |
| 101-150                                 | £3,050  |
| 151-200                                 | £3,500  |
| 201-250                                 | £3,950  |
| 251-750                                 | £4,400  |
| 751-1500                                | £4,850  |
| 1501-2500                               | £5,050  |
| 2500+                                   | Please contact us for a tailored costing          |

*Prices exclude taxes*

Fees are calculated based on the registered company, for example a group with registered companies in different sectors, territories or countries, would need to undergo assessment for each company.

### Travel and accommodation

The following expenses can be charged in undertaking the assessment. As far as is reasonably practical assessors will inform customers prior to the assessment.

### United Kingdom

Mileage at 45p per mile,  
Reasonable expenses charged at cost.

## Rest of world

Actual cost of travel (economy for short-haul and business class for long-haul) and accommodation (equivalent to 3-star).

## Reaccreditation

During annual reaccreditation a company provide updated paperwork and self- certify compliance.

| Number of staff (including contractors) | Guide Price                                      |
|---|--|
| 1-20                                    | £115   |
| 21-50                                   | £300   |
| 51-100                                  | £870   |
| 101-150                                 | £1,020   |
| 151-200                                 | £1,170   |
| 201-250                                 | £1,320   |
| 250+                                    | Reaccreditation costs 1/3 of the assessment fee. |

*Prices exclude taxes*

Every third year after accreditation (i.e. year four, seven, ten etc.), organisations undergo the full assessment process to keep their accreditation.

## Partnership opportunities

Discount option – partner organisation’s members can receive a discount for initial assessment
