

The Mental Health Tick

Pricing Guide

We believe in being transparent about pricing, and publish these prices as a guideline. Please be aware that prices may vary on the individual requirements of an organisation (for example different sites or remote working).

Assessment fees

Assessments include interviews with people from across the organisation, including senior leadership, managers and employees.

Number of staff (including contractors)	Guide Price (includes first year's accreditation)
1-9	£350
10-20	£900-£1500
21-50	£2,250
51-100	£2,600
101-150	£3,050
151-200	£3,500
201-250	£3,950
251-750	£4,400
751-1500	£4,850
1501-2500	£5,050
2500+	Please contact us for a tailored costing

Prices exclude taxes

Fees are calculated based on the registered company, for example a group with registered companies in different sectors, territories or countries, would need to undergo assessment for each company.

Travel and accommodation

The following expenses can be charged in undertaking the assessment. As far as is reasonably practical assessors will inform customers prior to the assessment.

United Kingdom

Mileage at 45p per mile,

Reasonable expenses charged at cost.

Rest of world

Actual cost of travel (economy for short-haul and business class for long-haul) and accommodation (equivalent to 3-star).

Reaccreditation

During annual reaccreditation a company provide updated paperwork and self-certify compliance.

Number of staff (including contractors)	Guide Price
1-20	£115
21-50	£300
51-100	£870
101-150	£1,020
151-200	£1,170
201-250	£1,320
250+	Reaccreditation costs 1/3 of the assessment fee.

Prices exclude taxes

Every third year after accreditation (i.e. year four, seven, ten etc.), organisations undergo the full assessment process to keep their accreditation.
